

January 1, 2011

To Whom It May Concern:

Let it be known through this letter that SECOVI S.A. de C.V. is authorized to sell our equipment.

PQ Global, as a world leader in the design and manufacture of Surge Protection Devices has provided SECOVI S.A. de C.V. with technical training in the correct applications of our products. This ensures that our customers obtain excellence in product performance and customer support..

Sincerely,

A handwritten signature in blue ink, appearing to read "Miguel Aldrete", is positioned above a horizontal line.
